Warrant for Town Meeting

L. S. THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Canaan, County of Grafton, in said state, qualified to vote in town affairs:

You are hereby notified to meet at the Town House in said town on the second Tuesday of March next, at ten o'clock in the forenoon, to act upon the following subjects:

Article 1. To choose by ballot and plurality vote a Town Clerk, one Selectman for three years, a Town Treasurer, Tax Collector, Overseer of the Poor, one Library Trustee for three years, one Trustee of Trust Funds for three years, three Highway Agents, two Auditors, one Town Agent, Chief of Police, Surveyors of Lumber, Fence Viewers, Measurers of Wood and Bark, Weighers of Hay and Straw, Cemetery Agents, and such other officers as the Town may judge necessary to be chosen.

Article 2. To see if the Town will vote to accept the Budget as submitted by the Budget Committee.

Article 3. To see if the Town will vote to raise the sum of \$80.00 for the Dartmouth Lake Sunapee Region association.

Article 4. Pursuant to a petition of ten or more legal voters: To see if the Town will vote to reopen and accept as a part of the Town road system the Jerusalem Spring road, so-called, or take any action thereto.

Article 5. To see if the Town will vote to discontinue that section of Town road between the Leo Kilton place and the Wendelstadt place and make subject to gates and bars or take any action thereto.

Article 6. To see if the Town will vote that all Town property to be sold or disposed of will be done through the Town Agent and payment for all sales of said property to be made to the Town through said agent. Or take any action thereto.

Article 7. To see if the Town will discontinue and make subject to gates and bars that section of road running from the Wells Place, so-called, to the road leading to Roy Clark Hill, so-called or take any action thereto.

Article 8. To see if the Town will vote to discontinue and make subject to gates and bars the road and bridge between the Switch Road and the Sawtell Place so-called.

Article 9. To see what action the Town will take regarding the disposing of the Town tractor and all attachments thereto.

One half of the money derived from this sale to be assigned to the current maintenance expense of the Town to reduce the present tax burden and one half assigned to permanent improvements to reduce future tax burdens, or take any action thereto.

Article 10. To see what action the Town will take regarding the repair, removal or replacement of the present bath house or pavilion at the public wharf or take any action thereto.

Article 11. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

Article 12. To see if the Town will vote to employ the services of the State of New Hampshire Assessors and raise money to pay for the same. Or take any action thereto.

Article 13. To see if the Town will vote to employ the services of the State of New Hampshire Auditors to audit the Town books and raise money to pay for the same. Or take any action thereto.

Article 14. To see if the Town will vote to instruct the Selectmen to mail tax inventories only to non-residents. Or take any action thereto.

Given under our hands and seal this 19th day of February, 1951.

In Memoriam

It seems fitting to pay a word of tribute to the memory of three former town officers, one who died in office, to whom the town of Canaan has been indebted for efficient and faithful service.

Herbert E. Brown, tax collector for many years, member of the board of supervisors of an earlier period and treasurer of the Canaan School District, died April 5, 1951. Mr. Brown was widely known throughout the state as a successful collector, conversant with the tax laws and attentive to their details.

Eugene F. Chase, whose service as Mr. Brown's successor was terminated by death on September 26, 1951, was a beloved citizen of whom it has been said: "the mere act of meeting him was a pleasure."

William B. Hinkley, for a great many years a library trustee, passed on to his reward February 8, 1951. No more faithful public servant ever assumed the duties of office than Mr. Hinkley. Unsparring of his time, he put his public responsibilities always ahead of his own private interests.

These names are entered on the roster of departed Canaanites as ones long to be cherished in appreciative memory.

Superintendent's Report

The past school year has been marked by the biggest material gains for a long time. Canaan has built and is now occupying a 10-room elementary school. Bristol's memorial school is now nearing completion and

several other milestones have been passed. Hebron completely rebuilt its school adding a heating room and now has one of the best, if not the best, rural school in the state. Groton added automatic oil to its school; Bridgewater completed the furnace room, insulated, and painted and the other towns did significant amounts of maintenance. A great deal of repair and maintenance work has been done in the past five years and systematic programming of work should be continued. This may be done in some districts on a lower per year cost but it is questionable economy over a period of years to do nothing and then try to "catch up" for the years past. This may work well only in case such work is done on the down swing of an economic cycle but the chances seem just as good that they might have to be done on the reverse swing with inflated prices. A moderate amount of money on a yearly basis should now keep most of our buildings in good repair.

Our most successful workshop of the four was held this year on "Improving Reading." The teachers through their own members organized this, secured the speakers, and in general planned and executed the whole thing; a very fine achievement. After experimenting with various times of the year the Labor Day week was selected and proved a fine choice. Efforts will be made in the future to hold workshops during that week if possible. It is not a good week to obtain speakers but otherwise seems perfect. There will be no workshop next year since we all feel that we need a year to consolidate what gains we have made and to work continuously on reading and related problems.

For once Union No. 4 seems to be in front of a modern swing in educational circles back to more of the fundamentals. However, we should not feel too elated over this since we are in the fore only because we've never had the time or money to be greatly concerned with educational frills and it may be more truthful to say that

the parade has made the cycle and finds us on its return trip! In spite of all modern theories and practices if we can keep classes small enough and staffed well enough so that we do not lose sight of the individual child and do the best we can for him in school and out we will not err too much and our pupils will have a solid foundation.

This "reporter" believes in trying to keep well informed and to keep others with whom he works well informed. To overlook the fact that we do not live by ourselves alone and that we are in a highly competitive society would be disastrous to our children. Potentially excellent teachers, and even some of fine experience, are being drawn away from teaching by better paying positions either in the semi-skilled or skilled trades. Just one instance will show this. During the past week a representative of the federal government was in a high school looking for typists to start at over \$2700.00. We have 19 teachers, most of several years experience, getting \$2300.00 or less! A small chart showing comparative salaries for the current year follows:

	Male Elemen.	Female Elemen.	Male Second.	Female Second.
State Average	\$2807	\$2737	\$3391	\$3092
Union No. 4	2750	2225	3233	2633

Beginning teachers with degrees are being placed at \$2400 or more and it is rumored that the asking price this year will be \$2500 or \$2600.

The new State Aid distribution of funds made a good start towards reducing the spread in tax rates for education. It would have done more had the formula been covered with the necessary funds. How much it did to improve education would be a highly debatable point since in this area the money was used to reduce the tax levy. As long as great uncertainty continues to exist on formulas, amounts, etc., it will be used in this

respect. It would be naive to urge a couple of school districts to expand either its program or its plant promising that "state aid" would help pay the bill. This is being pointed out here merely to forestall critics who may ask to see the "improvements" made by these funds. The tax rates would have been reduced still more had the \$2,000,000 been voted. Expressing it another way would be to say that failure to vote \$2,000,000 increased the tax assessments and those who howl against sales or other new taxes are blind to the fact that the legislature did not save the tax payer money in refusing to vote the \$2,000,000; it merely passed the educational tax bill back to the local property owner who directly paid more than he otherwise would. The table on the following page shows the nine towns in this area and how they compare with one another and with the state average.

Several things should be noted in the chart. 1) Adjusted valuations vary from \$6.421 per pupil in Danbury to \$55.261 in Hebron: 2) Bristol has the highest school tax rate with \$22.05 and Hebron the lowest with \$7.18, with Bridgewater not far behind with \$8.15. The state median of \$19.99 should be noted here. 3) Alexandria and Orange just miss qualifying for aid; they would qualify with a few more pupils provided the percentage of increase were greater than the average for the state. 4) The spread between the **cost of the foundation program** and the **17 mill share** shows that Bristol would need many more resident pupils to qualify, that Groton, Hebron and Bridgewater will probably never qualify on this basis. These towns will receive aid from the state only when so-called general aid becomes available; i.e. a blanket amount per pupil without using millage or anything else.

Respectfully submitted,

C. MAURICE GRAY.
